

Welcome to Newton Haven!

To ready you for participation in our galactic community, we request that you translate these sentences from Arcturan to Centauri:

1. iat lat pippat eneat hilat oloat at-yurp
2. totat nnat forat arrat mat bat
3. wat dat quat cat uskrat at-drubel

If you don't know Arcturan or Centauri, that's ok. To help you, we've given you some example translations from Arcturan to Centauri (left), and some examples of original Centauri writing (right).

<i>Arcturan</i> at-voon bichat dat	ok-drubel anak ghirok farok
<i>Centauri</i> ok-voon ororok sprok	_____
<i>Arcturan</i> at-drubel at-voon pippat rrat dat	wiwok rarok nok zerok ghirok enemok
